2010**

A Great Way to Earn Extra Money

The U.S. Census Bureau is recruiting for temporary part-time census jobs for the 2010 Census. The pay is good, the **hours are flexible**, and the work is **close to home**.

Census jobs are excellent for retirees, college students, persons who want to work part-time, persons who are between jobs, or just about anyone who wants to earn extra money while performing an important service for their community. Applicants must be 18 or older. Practice test on website.

To hear more about working for the 2010 Census, short video clips are available for viewing online!

Your community is counting on you

Every 10 years, we conduct a census of our population. The results help determine your representation in government, as well as how federal funds are spent in your community on things like roads, parks, housing, schools, and public safety. As a census taker, you'll play a vital role in making sure that everyone is included.

Thousands are needed for temporary jobs

Conducting the census is a huge undertaking. **Thousands** of census takers are needed to conduct interviews with community residents (5 – 10 weeks of work Spring of 2010). Most positions require a valid driver's license and use of a vehicle. **Veterans** bring a copy of DD-214 for preference.

Earn good pay (\$15+ an hour) (10 – 40 hours a week)

Census takers receive competitive pay on a weekly basis. In addition, you will be reimbursed for authorized mileage and related expenses.

Bilingual speakers are encouraged to apply!

All census takers must be able to speak English, but bilingual skills in English and other languages are needed in communities that have a large number of residents who speak a language other than English.

Get more than just a paycheck

Besides good pay, you'll have flexible hours, paid training, and the chance to work within your own community. You'll earn a place in history, as well as work experience you can add to your resume.

**Application & Testing is open (no appointment needed) but,
first come, first seated,**

**call 1-866-861-2010 for more information about
testing dates and locations in your area.**
